(2) Though the postal authorities requested the use of the building free of rent for two years from 1st May 1910, or until such time as the Office begins to pay, we ~~subsequently~~ only informed the Resident that the concession would be extended for a further period two years from 1st May 1910. On the expiry of this period, therefore, rent may be demanded and the ~~Chief Engineer~~ D.P.W. Secretary may be informed accordingly in reply to his present repte.

(3) It seems unnecessary to make any repte to the Residency now. If the Postal authorities require the concession for any longer period, it is for them to apply for it.

Letter No. B.B.-198, dated the 26th April 1912, from the Post Master General, Madras Circle to the First Assistant Resident in Mysore, Bangalore.

With reference to your endorsement No. 2114, dated the 9-4-12, I have the honour to say that the present cost of the establishment of the Sivasamudram post office is Rs. 34/- per mensem. This sum should under the rules of this department be increased by 25 % to cover charges for supervision &c. The office cannot therefore be said to be self supporting unless its income amounts to Rs. 42-8-0 per mensem, while as a matter of fact the average monthly income as calculated from the latest value returns is Rs. 38-6-3 only. It will thus be seen that the office is now working at a loss although it has been provided with free accommodation. As there is no prospect of the income increasing in the near future, the office will have to be closed unless the Mysore Durbar are willing to allow it to continue to occupy the present building free of rent until such time as the office proves to be self supporting. I beg that you will kindly ascertain and let me know the views of the Durbar in the matter.
